Notification dated 14th May 1947.

Re.—Registers to be maintained by Departmental Officers for watching the receipt of bills sent for preaudit.

To

All Departmental Officers.

No. 451—B. ii. At present there is no satisfactory arrangement for watching the disposals of several classes of Bills sent by Departmental Officers for preaudit to the Comptroller's Office or other Audit Offices. Reminders are often received, sometimes months or years after the bills were first presented enquiring about their disposal. The work of replying to such belated enquiries is rendered extremely difficult as the concerned registers in the Audit Office would have ceased to be in current use. After getting at the old registers it has often been found that the bills in question had been returned to the concerned Departments. To obviate all such belated investigations, Government have approved the addition of a New Rule 5 (2) to the Annexure to Mysore Civil Account Code, Volume I, as noted below, directing all departmental officers to maintain and scrutinise a Register of Bills sent for preaudit :—

"It is the primary duty of every officer including countersigning officers, who have to arrange for the payment of Bills, to see that a proper account is maintained of Bills received, and disposed of, as the responsibility of an officer receiving Bills does not cease until he gives a final clearance for them. A suitable Register should, therefore, be maintained of all Bills received and disposed of. As regards Bills sent for preaudit, every office forwarding Bills for preaudit should maintain a Register in the following form for watching the Bills sent for preaudit and their return. In the case of Bills Payable at Bangalore, Registers may be taken or sent to the Pay Section of the Comptroller's Office or other Audit Office concerned once a month for verification. In the case of Bills Payable at the mofussil Treasuries, the Departments should send weekly reminders to the Pay Section of the Audit Office with a view to expedite disposal".

Register of Bills sent for Pre-audit.

Date.	Sl. No.	Particulars of the bill.	Token or Non-token.	Date of receipt of cheque or Bill or Advice of issue of cheque.	Cheque No. and date.	Date on which cheque or Bill was cashed, handed over to the parties or returned to subordinate officers.	Remarks (Reference to reminders, etc.)

All Departmental Officers are requested to follow the instructions contained in the above Rule, which will come into force immediately.

8439

Notification dated 16th May 1947.

To

All Drawing and Countersigning Officers who present bills at the Pay Section for pre-audit and payment.

Sir,

No. 316-317—P. S. It has came to my notice that in respect of bills which have to be arranged for payment outside the State by cheques drawn on the Imperial Bank of India, tokens are being obtained at the Pay Section of this office. This is not in order as tokens are intended to be issued only in respect of bills to be preaudited and cheques issued for payment in Bangalore. All bills which have to be paid outside Mysore State by cheques drawn on the Imperial Bank of India should be sent with covering letters. If such bills are sent to the Pay Section hereafter they will not be received. Bills payable after pre-audit outside Bangalore but within the Mysore State should also be sent with covering letters. The audited bills will be sent direct to the concerned offices by the Pay Section.

A similar procedure should also be followed in respect of bills for supply of Electric Power, Water and Supplies and Services from Government Departments, so that cheques drawn in respect of such bills may be despatched to the payees concerned direct by the Pay Section and intimations sent to the offices concerned.

I have the honour to be,
Sir,
Your most obedient servant,

8456 V. T. SREENIVASAN,
Comptroller.
